UT10 TECHNICAL FEATURES

6.0" Android Rugged Tablet

Rugged by nature, the UT series by UniStrong thrives in harsh operating environments. The UT10 is built to handle heavy work load over an extended period of time. It is designed to be drop resistant at heights of 1.5 m with an IP68 protection rating and certified to MIL-STD. With Qualcomm Quickcharge 3.0 and Dual Sim card option, you can work all day and still remain contactable anytime, anywhere.
